

## 1 Bonding Clamp

## 2 Striker Plate

## 3 Floppy

Part Number	Name	CSST Diameter	End Thread			Description
			1	2	3	
PFBC-AB	Small Bonding Clamp	3/8" & 1/2"	N/A	N/A	N/A	Small Bonding Clamps fit 3/8" and 1/2" CSST Fittings or 1/2" - 1" black pipe
PFBC-CDE	Large Bonding Clamp	3/4", 1", & 1 1/4"	N/A	N/A	N/A	Large Bonding Clamps fit 3/4", 1" and 1 1/4" CSST Fittings or 1 1/4" - 2" black pipe

PFSP-0302	3" x 2" Striker Plate	all	N/A	N/A	N/A	a protective device to prevent puncture of gas line where CSST passes through a structural member
PFSP-0307	3" x 7" Striker Plate	all	N/A	N/A	N/A	a protective device to prevent puncture of gas line where CSST passes through a structural member
PFSP-0312	3" x 12" Striker Plate	all	N/A	N/A	N/A	a protective device to prevent puncture of gas line where CSST passes through a structural member
PFSP-0617	6" x 17" Striker Plate	all	N/A	N/A	N/A	a protective device to prevent puncture of gas line where CSST passes through a structural member

PFFF-0112	1" x 12" Floppy Protective Armor	1/2 & 3/8	N/A	N/A	N/A	a protective device to prevent puncture of gas line where CSST is ran horizontally or constricted at a termination
PFFF-1212	1 1/4" x 12" Floppy Protective Armor	3/4"	N/A	N/A	N/A	a protective device to prevent puncture of gas line where CSST is ran horizontally or constricted at a termination
PFFF-1512	1 1/2" x 12" Floppy Protective Armor	1"	N/A	N/A	N/A	a protective device to prevent puncture of gas line where CSST is ran horizontally or constricted at a termination
PFFF-0150	1" x 50" Floppy Protective Armor	1/2" & 3/8"	N/A	N/A	N/A	a protective device to prevent puncture of gas line where CSST is ran horizontally or constricted at a termination
PFFF-1225	1 1/4" x 25' Floppy Protective Armor	3/4"	N/A	N/A	N/A	a protective device to prevent puncture of gas line where CSST is ran horizontally or constricted at a termination
PFFF-1525	1 1/2" x 25' Floppy Protective Armor	1"	N/A	N/A	N/A	a protective device to prevent puncture of gas line where CSST is ran horizontally or constricted at a termination
